

***Thank You
Sir Knights!***

The Children's Eye Foundation of AAPOS is deeply grateful to The Knights Templar Eye Foundation for their support of All Children See, which enables CEF of AAPOS to provide United States citizens and legal residents under the age of 18 who are under or uninsured with excellent eyecare. The Sir Knights' partnership and extraordinary contribution to our mission to end preventable vision loss in children is deeply appreciated. Congratulations to the Sir Knights for all that they do to help in caring for children with eye diseases.
